)	SEWER RATES

By letter dated May 12, 1993, the Commission's Executive Director instructed the Company to publish a prepared Notice of Filing one time in a newspaper of general circulation in the area affected by the Company's application. The Notice of Filing indicated the nature of the Company's Application and advised all

interested parties of the manner and time in which to file appropriate pleadings. Additionally, the Company was instructed to directly notify all of its customers of the Application. The Company submitted affidavits indicating that it had complied with these instructions. No Petitions to Intervene or Protests were received.

Accordingly, the Company requests a Waiver of Hearing and approval of the rates so proposed. For the reasons stated hereinafter, the proposed extension of the Company service area is granted, as are the proposed rates. In addition, the Company's request for a waiver of the hearing is hereby granted. Robert W. Ashby, President of Sherwood Enterprises, notes in the Application of April 22, 1993 that the Dale Valley Mobile Home Park, located at 7021 Stall Road, North Charleston, South Carolina, has exactly the same cost and conditions as Sherwood Mobile Home Park, the Company's present service area. The water comes from the Charleston Public Works and the sewers are handled by the North Charleston Sewer District. The Company also requests the same rates for water and sewer as are currently in effect for the Company's original service territory, which were granted by the Commission in September 1992. These rates are as follows:

WATER AND SEWER RATES

Minimum Monthly Charge - \$5.00

Includes up to 1000 Gallons of water
and sewer service.

IN EXCESS OF 1000 GALLONS THE FOLLOWING RATES APPLY

Water rate per 1000 gallons	\$ 1.984
Sewer rate per 1000 gallons	\$ 2.976
Reconnect fee	\$10.00

The Commission has examined this matter and believes that the Company has shown good cause for the extension of its service area and the extension of the service area to the Dale Valley Mobile Home Park is in the public interest.

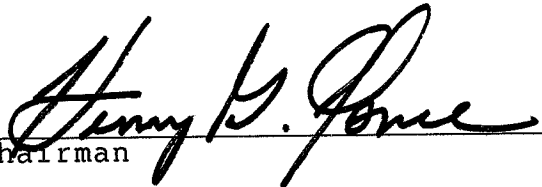

Further, the Commission believes that the Company has stated just cause for the extension of the same rates as presently authorized to its new territory.

IT IS THEREFORE ORDERED:

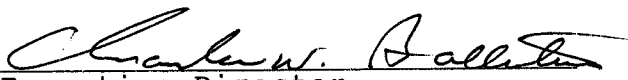

1. That the Application of Sherwood Enterprises DBA Sherwood Utilities Company for approval of an extension of its service area to include Dale Valley Mobile Home Park in North Charleston, South Carolina is hereby granted.
2. That the approved rates for the original service territory may be extended to the Dale Valley Mobile Home Park.

3. That this Order shall remain in full force and effect until further Order of the Commission.
